Tuesday, September 27th

@ 12:00-1:00 pm CST

Visit armachicago.org to register

Our Speaker:

Erica Toelle

Erica Toelle is a Senior Product Marketing Manager on the Microsoft Purview product team. Her focus is on growing the Data Lifecycle and Records Management business and listening to customers and partners to make our solutions better. Erica is a long-time member of the SharePoint and Microsoft 365 community, a former Microsoft MVP, a published author, and a recognized expert in the information and data governance area.

Erica's book is Microsoft 365 Compliance: A Practical Guide to Managing Risk
